ASK US ANYTHING!

Q What makes the school unique? What is the school's philosophy?

Sathya Sai School is unique in its commitment to providing a well-rounded education that nurtures both the mind and the heart. Our philosophy revolves around five essential Human Values inherent in every student: Truth, Right Conduct, Peace, Love and Non Violence. These values are the bedrock of our approach to education, ensuring that your child not only excels academically but also grows into a compassionate and responsible global citizen. Sathya Sai School's dedication to this philosophy has consistently ranked us as a #1 school.

Q What facilities and equipment does the school offer?

We offer a modern and diverse learning environment designed with your child in mind. Our well-equipped classrooms provide the ideal setting for academic growth. Our science labs and art studios inspire creativity and innovation. The library fosters a love for reading, while our sports, dance, and yoga facilities promote physical fitness and teamwork. We believe in providing your child with the best resources to nurture their academic and personal development. We support your child's journey to excellence, from books to labs, sports, and the arts.

Q What extracurricular and co-curricular activities are available?

At Sathya Sai School, we provide various extracurricular and co-curricular activities to enrich your child's educational experience. Our school clubs include options like debate, chess, theatre, badminton, baking, creative arts, fencing, and more. These activities are designed to nurture your child's interests and talents while promoting character development.

Additionally, we organize exciting field trips that allow students to connect with real-life experiences, fostering cultural appreciation and environmental awareness. Our After School Program offers further learning opportunities, encouraging peer interactions, leadership roles, and collaborative group work. Your child will thrive in our holistic educational environment.

Q How long is the school day and the school year?

Our school year follows the traditional academic Calendar, ensuring consistency for our students and families. The school day is thoughtfully structured to offer ample time for both academic learning and enriching extracurricular activities. This balanced schedule allows our students to thrive academically while enjoying a holistic education experience. At Sathya Sai School, we prioritize quality education and well-rounded development, and our school day and year are carefully designed to reflect these values.

Q What is the average class size?

The average class size ranges between 18-24 students, ensuring personalized attention for each child.

Q What are the transportation options for my child?

Sathya Sai School does not offer transportation services. Parents have the flexibility to choose transportation options that best suit their needs.

Q How does the school challenge and support student achievement and leadership?

We empower students to excel academically and develop leadership skills. Students learn vital leadership qualities through platforms like the Student Council, community service, public speaking, team projects, mentoring, clubs, and peer support. They also participate in leadership workshops and event planning, enhancing their decision-making abilities. These experiences foster confident, responsible leaders who positively impact our school community and beyond.

Q How does the school encourage involvement among parents, teachers, and students?

At Sathya Sai School, we foster a strong sense of community among parents, teachers, and students. Our dedicated Parent Council works closely with the school to create programs and events that enrich our students' growth. We encourage open and transparent communication between parents and teachers, ensuring your active involvement in your child's education. Regular parent-teacher interactions allow you to stay engaged in our vibrant school community. Together, we create an environment where every child thrives.

Q What curriculum guidelines does the school follow and how are students evaluated?

We follow the Ontario curriculum at Sathya Sai School while integrating Human Values education. Our approach to student evaluation is comprehensive. We assess academic progress through traditional methods, ensuring your child receives a strong academic foundation. Simultaneously, we prioritize character development, fostering qualities like kindness and integrity. Our evaluations consider both academic achievements and personal growth, nurturing well-rounded individuals. We aim to provide your child with a balanced education that prepares them academically and instills values that will serve them throughout life.

Q What is the admission process?

To enroll your child at Sathya Sai School, simply complete our application form, attend an interview, and provide the required documents. Admissions are open during specific intake years, and we maintain a waiting list as needed. It's a straightforward process designed to welcome your child to our educational community.

Q How much is tuition and what other costs might I incur?

Sathya Sai School offers high-quality education at an affordable cost. Our tuition fees provide exceptional value for your child's education. Please contact our admissions team for specific tuition rates. We are dedicated to making our enriching educational experience accessible to families.
